

Bequest Information for Solicitors & Executors

Australian Lions Hearing Dogs' ability to continue to provide Hearing Assistance Dogs to Australia's deaf and hard of hearing is largely made possible by the careful stewardship of bequests. Demand for Hearing Assistance Dogs is growing exponentially and this will only become more so as deafness impacts increasing numbers of people. Hearing loss is an enormous and largely invisible problem that affects hundreds of thousands of people in Australia alone.

We are mindful and respectful of any terms expressed through a person's Will.

We will be very happy to discuss how the work we do may align with the terms of a Will, to ensure the wishes of the person making the bequest are upheld.
